

C E R T I F I C A T E O F C O M P E T E N C Y

This certifies that

[Your Name Here]

has successfully completed the YourCloudGroup
AI Model Training

on Saturday, June 13, 2026, and has demonstrated practical competency in:

- Preparing structured data
for AI model training pipelines
- Building classification models
and regression models
- Evaluating model performance
with industry-standard metrics
- Comparing model architectures
across neural and tree-based approaches
- Deploying models via the API
for automated production predictions
- Operating dedicated cloud servers
with full administrator access
